Type of Development:

.....

.....

.....

.....

- This application and certificate only applies to Complying Development. It is not relevant to a Development Application or Construction Certificate.
- Please ensure you submit **all** required information to minimise delay in Council's assessment of your certificate
 - Plan showing all existing and proposed structures on the site
 - The location and distances to vegetation on the development site and the adjoining properties
 - Existing and proposed ground levels
- Complying Development cannot occur if the BAL is determined as BAL 40 or BAL FZ
- More information regarding the BAL Risk Assessment is available from the NSW Rural Fire Service Website: https://www.rfs.nsw.gov.au/data/assets/pdf_file/0017/4355/Guidelines-for-Single-Dwelling-Development-Applications.pdf
