GUIDELINES FOR PUBLIC ADDRESSES AT COUNCIL AND COMMITTEE MEETINGS

1. Members of the public wishing to address an Ordinary Council meeting or a Committee meeting in the Community Consultation section of the meeting must complete an application form.
2. Application forms must be received by the General Manager prior to 12:00noon on the day of the meeting.
3. No more than three speakers are to be permitted to speak 'for' or 'against' each item of businesses on the agenda for the Council meeting.
4. If more than the permitted number of speakers apply to speak 'for' or 'against' any item of business, the General Manager or their delegate may request the speakers to nominate from among themselves the persons who are to address the Council on the item of business. If the speakers are not able to agree on whom to nominate to address the Council, the General Manager or their delegate is to determine who will address the Council at the meeting.
5. Persons requesting to present similar views on the same topic may be invited to elect a single spokesperson.
6. Any person addressing the meeting must direct all remarks through the Chair and undertake the address standing at the front of the room, unless otherwise approved by the Chair. The Chair should be addressed as Mr Mayor, Madam Mayor, Mr Chairperson or Madam Chairperson, as the case may be.
7. The Chair will only allow the speaker to address Council once on a matter, unless new significant information is being considered by Council, in which case you must advise why you believe this warrants a further address to Council.
8. A maximum of five minutes will be allowed for each address. *Note: time limit only applicable when addressing a Council or Committee Meeting.*
9. The person addressing the meeting must keep their remarks relevant to that item.
10. Following a presentation, the Chair may ask Councillors if they have any questions to the presenter. This is an opportunity for Councillors to clarify any points raised during the presentation. Questions and responses should be questions of fact rather than opinion or speculation.
11. The opportunity to address the meeting enables you to provide your argument or opinion. However, it does not provide the opportunity for debate or to ask questions of the Councillors or Council Officers.
